**REV. ALFRED J. JUNK**

WE DEDICATE THIS BOOK TO THE LOVING MEMORY OF

FATHER JUNK, WHO SO GRACIOUSLY AND WILLINGLY

DEVOTED TWENTY-FOUR YEARS OF HIS PRIESTLY LIFE

TO US, HIS CHILDREN AT BISHOP NOLL HIGH SCHOOL.

Carefree, innocent boyhood days,  
So full of sunshine, mirth, and play,  
Were followed by years of college life,  
Mixed with fun, frolic, and strife.

English and Latin, plus the Greek,  
And others galore that filled the week,  
Took pep and strength and all to come,  
'Til over the top of twenty-one.

'Twas not the end of the aim in view,  
But who knows fear for the chosen few?  
So, six more years of study severe,  
Taxed the strength of his youthful career.

As teacher, guide, and friend of all,  
He spent himself for great and small.  
He suffered much, embraced the cross,  
God called, we must accept the loss.

But God had blessed his noble aim.  
And the goal he struggled to obtain,  
He reached at last, and Oh, the joy.  
Ordination! Marked forever a grateful boy.

Dear Don:

Well, its here. And, I  
hate to see it come be-  
cause I'm really going to  
miss you. He didn't get to  
know each other until this  
year but its been great. I've  
really had a ball doubling  
with you and I wish you  
all the luck in the world <sup>with</sup> ~~out~~ <sup>out</sup> ~~out~~.  
She's so very sweet. Lets try  
and keep in touch and  
maybe we'll see each other  
sometime this year. <sup>(summer)</sup> God Bless  
you.

Love  
Patti

I can't believe it but it's here. I hope this won't mean  
good by cause you're the sweetest guy I know. Of course  
I can't forget to say - funny - too!! I'm really, really  
enjoyed knowing & being with you sometimes (you  
know what I mean) I stay like you are - fine - cause that's  
the way I always want to find you. Best of everything  
& never forget me or the pen we've all had either.

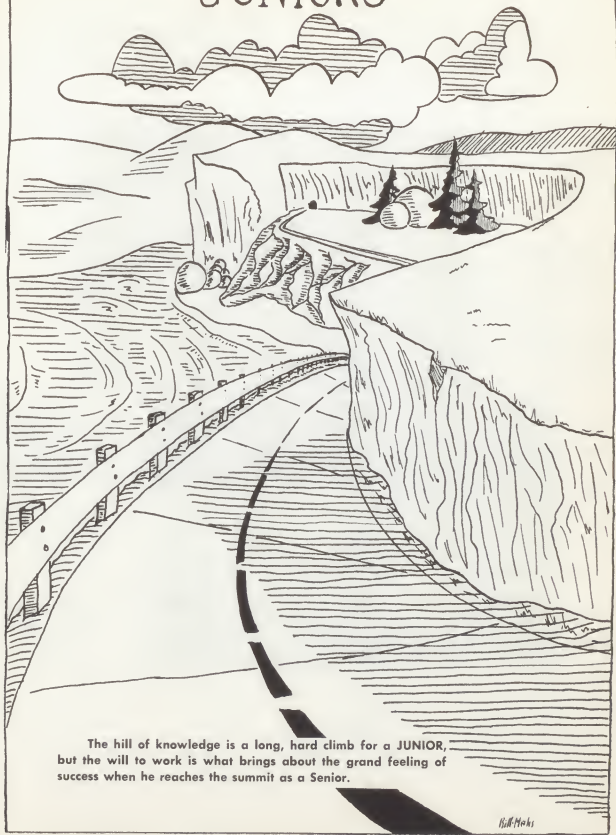

I love

## Co-Valedictorians of '58 Named

Jaan Pieczykalan achieved the enviable position of Co-Valedictorian of the Class of 1958. She is the daughter of Mr. and Mrs. William Pieczykalan of East Chicago, and attended St. John Cantius Grade School. At Noll, she went quietly about climbing to the top of the intellectual ladder. Besides her scholastic achievement, she participated in the activities of many clubs.

Her future plans include attendance at the Indiana University Extension during which time she will do secretarial work.

Sharing the honors of Co-Valedictorian of the Class of 1958 is Daniel Omilianowski. His parents are Mr. and Mrs. Roman Omilianowski of East Chicago. He received his previous schooling at St. Stanislaus Grade School from which he emerged with a scholarship. His willing and cooperative manner gained for him many friends among the faculty and students. Dan has been a member of the National Honor Society for two years and has also been very active in many other clubs.

He will continue his formal education at Notre Dame on a scholarship.

## Seniors Elect Sullivan

Early in the scholastic year the election of class officers is held in every home room. The Senior election deviates in that one President is chosen to represent the entire Senior Class. Each homeroom selects a vice-president, secretary and treasurer.

This year, Michael Sullivan was chosen. Michael hails from St. Joseph Grade School and is attending Bishop Noll on a scholarship from that parish.

Last year, during the last quarter, a contest was held to determine the Class Historian of 1958. After a few weeks of back-tracking on forgotten details, the eliminations were held and Janet Czajkowski was chosen. The topic which she wrote on was "The Effects of the Industrial Revolution." She will remain Class Historian until the Historian for the following year will be chosen.

# "THESE DAYS WILL NEVER COME AGAIN"

Long after your school days are past you will keep and  
 treasure this book. It will be a reminder of the carefree and  
 happy times of your life. When you turn to the printed words  
 and to pictures set down here, they will bring back the yester-  
 days with a flood of memories you little dream of now. When  
 life is young, we think little of the present. It is only when the  
 years wear on and time darkens the light of other days that we  
 fully realize the happiness of these golden minutes.

Dear Rose,

Janie asked me to fill this whole page so I'll try to but I won't promise! You and I have had a really fine time these past seven months and I do want you to know how much I've enjoyed every minute with you! All the many things we've done together, the Prom, the rides in your car, the little things that are important to girls have all been wonderful and when you go next year I'll miss you very much because of these things. I don't want you to go next year because I'll miss you more than we even <sup>have</sup>. But I guess I'll have to learn to say goodbye sometime. (The right way, without tears!) You know how much I miss you, so I won't say any more about that now. I really think an awful lot of you, now! You know how much, I think. I only wish I could tell you easily how much I enjoyed the day after the Prom this year. I want you to believe me when I say it was really, marvellous! I don't want you to think that I minded anything that happened cause that was one of the happiest days I've had with you!

I always remember you, now, no matter how far you go! I hope you won't forget to write me very often! I'll be very angry if you don't. Always remember all the many fine times we've had together! I hope we have many, many more! I'll miss you, honey! I hope you won't forget those letters cause I'll be waiting for every one! Good Luck in Football, too!

Don.  
 Best of Luck to  
 our football hero
